

Position Title: **Laser Set-up Operator**

Chicago Metal Fabricators, the nationwide premier source for custom manufacturing of metal components and assemblies, is seeking a **Laser Setup Operator** to join our team.

The Laser Setup Operator is responsible for set-up, operation, and light maintenance of Mitsubishi CO2 lasers.

Responsibilities:

- Set-up and run prototypes and production parts on CO2 lasers
- Follow all processes and procedures daily
- Follow housekeeping policies and ensure that all equipment, tools, samples, material, scrap, etc. are kept and put in proper locations
- Interpretation of specifications and blueprints
- Inspect and verify parts to ensure conformance to customer specifications per print
- Accurate recording of production data to meet process requirements
- Follow production schedules and instructions as required
- Assist in establishing activities to meet production schedules, utilizing knowledge of department capacities
- Perform all job functions in accordance with quality system and work procedures
- Recommend measures to improve production methods, equipment performance and quality of product
- Suggest changes in working conditions and use of equipment to increase efficiency of production processes
- May be required to follow other job-related instructions and duties as requested, subject to all applicable state and federal laws

Requirements:

- Previous experience with Mitsubishi CO2 Laser
- Ability to check laser cut parts to print using basic shop math and industry standard precision measuring tools
- Capable of assisting and lifting of items up to 50 pounds occasionally
- Capable of assisting and lifting of items up to 25 pounds frequently
- Accommodations for visual performance for reading production documentation, blueprints, computers, evaluating parts and using precision measuring instruments
- Accommodations for hearing ability to monitor machine sounds to identify and diagnose changes to take appropriate action
- Ability to communicate with others

Chicago Metal Fabricators is an EOE/AA employer. All qualified applicants will be considered for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status or status as an individual with a disability.
